

INTEGRATION

# Hilton Downtown Knoxville

Knoxville, TN

Hilton Downtown Knoxville is located at 501 West Church. The hotel was originally built in 1980 but has had numerous renovations over the years. The 18-story hotel now includes a full-service Starbucks, rooftop pool, barber shop, and a restaurant and bar.

S2A provided as-built modeling and documentation of the architectural and interior trades using the original 1980s plans for anticipation of another renovation.
